

Home Visitation Program

“I feel much closer to my kids and more involved in their lives.”

Robert, Divorced, Father of 2

“I learned how to manage my time with my family while both valuing myself, my husband, and my kids.”

Monica, Married, Mother of 2

“I learned from the other parents in the workshop. The discussions we had gave me ideas that I could apply to my life and family.”

Brian, Co-parent, Father of 5

- Work with the family setting goals and overcome barriers.
- Assistance finding primary care doctors and dentist for yourself and your children.
- Assistance finding professional counseling and legal services.
- Providing education concerning your child’s development and age appropriate needs.
