Dear Applicant:

Thank you for your interest in serving as a Commissioner with First Five Yuba. Your complete application packet should be submitted to the Yuba County Clerk of the Board of Supervisors at 915 8th Street, Suite 109, Marysville, CA 95901.

Once more than one application is received, a First Five Yuba Commission ad hoc committee will meet to review applications and interview each applicant individually, and provide a recommendation to the Commission who then provides a recommendation to the Board of Supervisors. The Board of Supervisors will appoint a Commissioner to the Commission. Please call our office if you would like to receive a copy of the New Commissioner Applicant Process policy.

Completed applications include:

- Board of Supervisors Application
- Cover letter identifying your reasons for applying, and the category in which you would serve on the Commission
- Résumé or curriculum vitae
- Letter(s) of recommendation (optional).

As of April 2010, there is one vacancy on the Commission. By ordinance, this vacancy must be filled by a Yuba County recipient of services described in the Strategic Plan; early childhood educator, representative of a local child care resource or referral agency or a local child care coordinating group, representative of a local organization for prevention and early intervention for families at risk, representative of community based organizations to promote early childhood development, representative of a local school district or representative of local medical, pediatric or obstetric society.

For specific meeting dates and times, contact the Commission staff. Our Strategic Plan is found on our website: <http://first5yuba.org>.

Thank you again for your interest in the First Five Yuba Commission.

Sincerely,

Jenny Sharkey  
First Five Yuba
