January 2010

Dear Prospective Advisory Committee Member,

The First Five Yuba (FFY) Advisory Committee is currently seeking new Committee members. As stated in the bylaws, the purpose of the committee is to provide expert advice and consultation to the FFY Commission, to assist the Commission in regularly updating its Strategic Plan and to provide input concerning the needs of Yuba County children 0-5 years of age and their families. Membership includes parents and other members from diverse backgrounds who care for or work with children 0-5 years of age and their families. Although recruitment and consideration of new members is ongoing, the Advisory Committee will begin considering prospective members in March 2010.

The Advisory Committee currently meets the second Thursday of each month at noon. It is important that you understand the time and attendance expectations of an Advisory Committee member before you request to be appointed as a voting member of the Advisory Committee.

The Advisory Committee 2010 focus is Public Relations and Media Plan and Strategic Plan development.

If you wish to be appointed as a voting member of the Advisory Committee, please send a completed application and letter of interest to the FFY office. New member letters will be presented to the Advisory Committee for membership.

Sincerely,

Jenny Sharkey
