Application Terms

A. Purpose

The purpose of the Mini Grant Program is to encourage and involve members of the community to support the well-being of Yuba County children by enhancing existing community resources that aim to improve the health and development of infants, toddlers or preschoolers so that they enter kindergarten ready to learn. Awards provide community members, agencies and childcare providers a small grant for a short-term project or service, awards are not intended for program sustainability. Please refer to the Commission's 2021-2026 Strategic Plan for details.

For fiscal year 2023-2024, the Commission has allocated a total of \$15,000 for community mini-grants, which will be allocated specifically to community agencies, non-profits, organizations and other small businesses serving Yuba County Residents.

Individual funding requests shall not shall not exceed \$3,000 unless approved by The Commission. Should funds not fully be expended during the application process then other short-term projects including childcare provider projects may be considered.

B. Background

In January 1999, the Yuba County Board of Supervisors established the Yuba County Children and Families Commission following November 1998 voter approval of Proposition 10. In 1999, the Board of Supervisors completed its appointments to the seven-member Commission.

The Commission is committed to blending Proposition 10 funds, wherever possible, with other funds to form partnerships that maximize services and minimize program duplication and administrative costs. In doing so, the Commission is advancing its mission of "promoting the development and well-being of children 0 through 5." It is the Commission's vision that "all of Yuba County's children will thrive in supportive, safe, nurturing, and loving environments; are healthy, eager, and ready learners; and will become productive well-adjusted members of society."

C. Eligibility

Community-based organizations, individuals, childcare, government agencies, faith-based organizations, associations, health care organizations, corporations, non-profit and for-profit organizations can apply for up to one (1) grant per agency per fiscal year (July 1- June 30). All potential applicants must either serve residents in Yuba County and/or have a physical office

currently provided (e.g., # of children served), or enhance existing resources (e.g., new play structures, new educational tools/resources, etc.) to fill the service gap addressed. Attach a detailed Itemized Budget (Exhibit B) with your application and clearly distinguish proposed costs in the budget narrative and leveraged funding. See sample template on page 8, Itemized Budget-Exhibit B.

F. Decision Making Process

Projects will be evaluated and scored on a 50-point scale by members of the established Advisory Committee. The Advisory Committee will use a universal scoring matrix for each of the applicants. Advisory Committee Members will be given all applicant materials and review applicant groups separately to ensure alignment with funding allocations and accurately reflect applicant capacity. The detailed scoring matrix can be found on the [Funding Page](#). Advisory Committee Members have the ability to recommend funding levels different than that requested and in alignment with project proposals. Reviewer feedback will be accessible to all applicants. Reviewer in identification will remain anonymous.

The Commission will only review applicants with passing score (30/50 points) to determine if they meet the needs of the community as identified in the 2021-2026 Strategic Plan and support the Commission’s Vision and Mission. The Commission may award a reduced amount in the interests of

good stewardship and sound public policy. The Commission is the sole and final authority regarding the approval or disapproval of applications with a passing score of 30/50 and the conditions under which they are funded. Commission staff will evaluate applications to determine all legal contracting requirements are met and ensure proposals do not supplant current sources of funding and provide comments to the Commission for review thereof. Applicants with a score less than 30 will not be considered for funding. The Commission reserves the right to reject any and all applications and to waive informalities or irregularities. The Commission will not hear appeals.
