1/31/22	Barrier: No physical or mailing address on file for Parent but it is a required field on the Parent Profile	Use the program's site address until the parent's address can be acquired.
Date	Feedback, Q's, Barrier	Solution
1/31/22	Barrier: Our enrollment information does not ask for parent email address. This is a required field on the Parent Profile. What do we do?	You may use one of two options. 1) use a phony email ending in "fake.com" or 2) use your work email address. These options work because only program staff would be accessing Apricot and initiating an email. The "fake.com" or work email would be a
